

Brazos Rocky 667

Date of Birth: 06/14/2016 Registration 1: BI94175

Breeder: Ronnie & Jackie Mullinax Mullinax/Craft/Schumpert Owner:

Partnership

Outstanding pedigree! On the top side you have Rim Rock, Rio Grande and Horizon, and on the bottom you have Jamakizm's Alphie (92") as well as Jamakizm which has produced some of the longest horn females in the industry. Brindle and white like his dam and nice hip like his sire. Going to be a big bull.
